MEMORANDUM FOR: Assistant Director for Collection & Dissemination  
THROUGH: Executive  
SUBJECT: Survey of Russian Industrial Productivity

1. The Industrial Register of Russian industrial productivity prepared by OCD together with OCD's memorandum of transmittal has been reviewed. It is agreed that this survey should not be disseminated but should be held strictly within CIA. It is the province of ORE to ~~make~~ <sup>determine</sup> distribution of economic intelligence, and, therefore, ORE may use the survey in its own report to the Harson Committee or for other outside dissemination.

2. However, for my own personal use, I should like a copy of the Industrial Register prepared by OCD as I have found it, on preliminary examination, to be most valuable.

Signed & dispatched 9/16/49.
